

Utensil Holders, Chip & Dips, Spoon Rests, Soap/Jewelry Dishes, Candle Holders, Flower Pots, etc.

Be sure to visit this page frequently! I delete pots as they are sold and add new items as they are made. Contact me if you would like to purchase one of these beautiful pots! I am happy to email you more pictures of any items that you are interested in.

(Sizes are listed as height x widest part of pot. If a pot has a larger “belly” than the rim, the “belly” is measured as the widest part.) *Pictures are not to scale*
